Dear Madame, dear Sir,

we are happy that you are interested in our Breed Orientation Course!

The first course was organized in 1986 and has proven to be an excellent way to introduce friends and breeders of the Hannoveraner horse to our breeding program and method of selection.

Originally it was founded as a seminar for potential judges in co-operation with the American Hanoverian Society. The intention, however, changed. We are now happy to get as many people as possible familiar with our breeding programme, with the type of horse we prefer and with the high standard the Hannoveraner breed has achieved.

The course starts on Tuesday (June 28). Arrival is scheduled for Monday (June 27). On Sunday (July 3) we will visit a foal show with a small local competition. Afterwards the departure is planned.

The main facts of the course:

1) Fee

We charge 520.00 EUR for the six-day course which includes most of the lunches and some of the dinners. Accommodation is not included in the fee. To ensure your reservation, we ask you to make an initial partial payment of 250.00 EUR within two weeks of receiving our confirmation that a place is available. You can pay by credit card.

2) Accommodation

Accommodation will be booked at the hotel "Thoeles" in Verden. The price for a double room is 89.00 EUR per night, for a single room 69.00 EUR per night (each incl. breakfast).

3) Application

We enclose an application form, which we ask you to return to us as soon as possible, by April 20 at the latest. Applications will be accepted on a first come basis.

4) Transportation

We will provide transportation from and to the airports at Bremen and Hannover and of course during the course.

We look forward to welcoming you soon!

Maren Schlender
Deputy Breeding Manager, Head of Studbook International
