Finale of the Verden Foal Spring

Fifth online auction

Verden. On Thursday, June 23, the final bidup for the last auction of the Verden Foal Spring will start at 7 pm CET. The lot of 32 representatives of the 2022 vintate includes highly interesting youngsters with outstanding pedigree for dressage, show jumping and eventing. Bids can already be submitted now.

The last collection of the foal spring opens with Vision Gold by Viva Gold/Fidertanz (breeder and exhibitor: Kai Baumgartner, Kamern). Already in the last three years, the siblings of the strong moving liver chestnut convinced on the Verden auction stage. Veuve Clicquot by Valdiviani/Sir Donnerhall (breeder and exhibitor: Hans-Dieter Erfkemper, Borken) already has got a winner's sash. At the foal show in Hünxe in the Rhineland, the typey colt attracted everyone's attention.

The foals bred for jumping also leave nothing to be desired. Vintage PJ by Voltaire/Manchester van' Paradijs (breeder and exhibitor: Pferdezucht Dr. Jacobs GbR, Bierbergen) is out of the world famous dam line of Fairness III Z. Top class show jumpers like Denis Lynch's European Team Champion All Star and Piet Raymaker's top mare Rinnetou Z go back to this important foundation mare, who once helped Hartwig Steenken to an international breakthrough.

All information as well as videos and photos of the collection of the fifth Verden Foal Spring can be found at <https://verdener-auktion-online.com>.
